Please Note: The format of this addendum document will detail questions asked, answers provided, clarifications and statements made and will be denoted as follows: Q=Question, A=Answer, C= Clarification, and S= Statement

Q- Will the city be awarding more than one JOC contract for this opportunity?

A- **There is potential to award multiple vendors**

Q- Is the self-performance requirement for this opportunity 10% or 51%?

A- **1.4.1.1 For the roofing Contract, the Contractor shall, as a minimum, perform with his own organization work amounting to not less than fifty-one (51%) percent of the total labor hours performed at the Project site through the working foreperson level. In order to be eligible for a bid award, the Bidder must demonstrate the ability to meet or exceed this requirement.**

C- Please note in Addendum 2 the due date listed was Wednesday December 3, 2020. December 3rd is on Thursday.

C- As it pertains to Prevailing Wage, the Prevailing Wage AWO that is in effect during solicitation will remain in effect for the contract term.

C- On page 23 of the Gordian Power Point presentation that occurred during the pre-bid conference it states:

- **Prevailing Wage Requirements**
 - General Construction - Job Order Price of \$75K or more Prevailing Wage Rates apply.
 - Roofing – Job Order Price of \$50K or more Prevailing Wage Rates apply.

This is incorrect in that prevailing wage applies to both areas when the projects are at 75K or more. The statement under the roofing section is incorrect.
